

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

Kingsford Smith Drive upgrade Temporary Visitor Centre

Brisbane City Council has appointed Lendlease to deliver the Kingsford Smith Drive upgrade.

Lendlease is an integrated property and infrastructure group and one of Australia's leading construction contractors.

Lendlease has completed more than 10,000 projects worldwide across Australia, Asia, Europe and the Americas, including some of Australia's most iconic transport infrastructure.

In Brisbane, Lendlease has delivered the Gateway and Ipswich motorway upgrades, the Gateway Bridge duplication, CLEM7 tunnel and Story Bridge.

Temporary Visitor Centre to open in January

Work will occur in early January to establish a new temporary Visitor Centre at Bretts Wharf for the Kingsford Smith Drive upgrade.

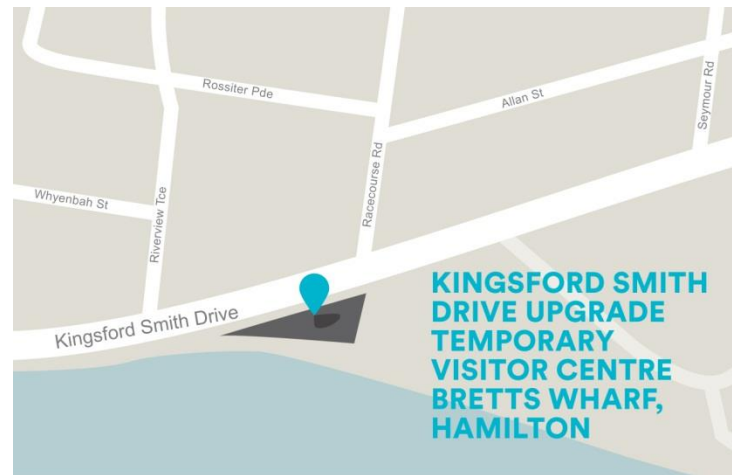

The Centre will provide project information, 3D project model and fly-throughs, as well as direct access to project team members who can answer questions about the project's design and construction.

The Centre will be open from 18 January 2016. Opening hours will be:

- Monday: 7.30 – 11am
- Wednesday: 3 – 6pm
- Friday: 11am – 2pm.

and any other time by appointment.

January 2016

About the Project

The Kingsford Smith Drive upgrade will widen the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton.

It will also include improvement works between Cooksley Street and Breakfast Creek Road at Albion. The upgrade will increase capacity, reduce traffic congestion and improve safety for all road users.

Works will start in 2016 and the project is expected to be complete in 2019.

Working with the community

Lendlease is committed to minimising impacts on local residents during construction of the Kingsford Smith Drive upgrade and look forward to working with the community throughout construction.
