

# KINGSFORD SMITH DRIVE UPGRADE

## Community Notice

June 2016

### Service location on local roads

From early July 2016, work to locate underground services will continue on a number of local roads adjacent to Kingsford Smith Drive as part of the upgrade.

Service location activities will continue until August/September 2016.

Service location works are undertaken to ensure all underground services within the project corridor are accurately mapped and located ahead of major construction activities commencing.

This work will take place on local side roads adjacent to Kingsford Smith Drive at the following locations:

- Agnes Street
- Hunt Street
- Yulestar Street
- Cooksley Street
- Day Street
- Toorak Road
- Crescent Road
- Grays Road
- Quarry Street
- Riverview Terrace
- Racecourse Road
- Harbour Road
- Seymour Road
- Nudgee Road
- Remora Road
- Oxford Street
- College Street
- Alison Street
- Theodore Street.

For specific locations, please refer to map overleaf. This work will take approximately two to five days in each location.

### What to expect during construction

- The use of road saws, vacuum excavation trucks, compaction equipment and lighting towers.
- Noise associated with the use of construction equipment.
- Temporary traffic changes, including single lane closures and changes to local street access from Kingsford Smith Drive.
- Parking lane closures on side streets prior to and during service location activities.
- Traffic control and signage to direct pedestrians, cyclists and motorists around the work areas, as required.

Property access will be maintained at all times, under the direction of traffic control officers when required.

### Construction hours

The majority of works will take place during standard work hours from **7am-6pm Monday to Friday** and **8am-1pm Saturday**.

Due to traffic permitting requirements, some work may need to occur at night between 9pm and 5am, Sunday to Thursday. Residents will be notified in advance of any night works.
