

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

March 2017

Partial road closure – Harbour Road, Hamilton

On **Saturday 11 March 2017 between 8am and 5pm**, the left turn out of Harbour Road onto Kingsford Smith Drive will be temporarily closed.

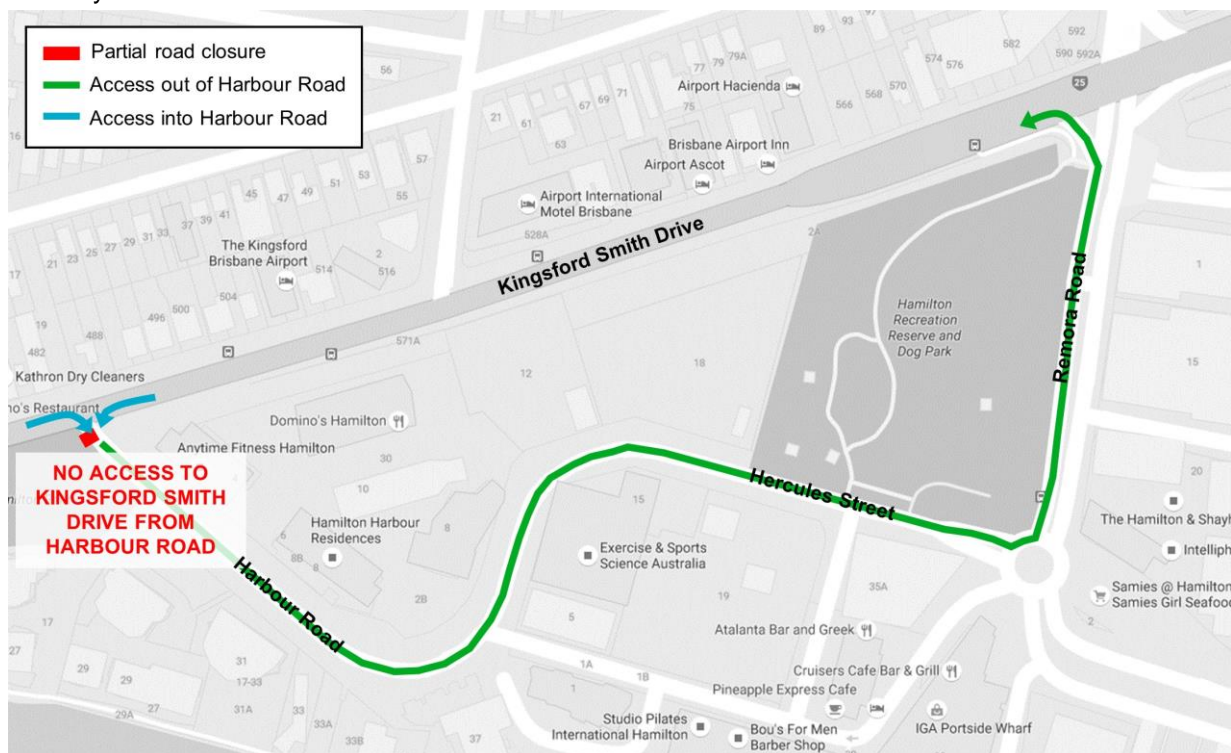

This partial closure is required to allow for the installation of a new section of water main beneath Harbour Road. Work will involve excavating a trench across Harbour Road to install the new section of pipe.

The left and right turns into Harbour Road from Kingsford Smith Drive will be maintained under the direction of traffic control with additional signage installed to help motorists navigate around the work area.

The Saturday closure enables the project team to carry out the bulk of the work during the day to minimise the impact of consecutive night shifts on local residents.

Pedestrian access will be maintained around the work site under the direction of traffic control and driveway access for residents and businesses will be maintained at all times.

In the event of wet weather or unforeseen circumstances, this closure may extend to allow the work activity to be completed safely.
