

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

Temporary closure of Nudgee Rd/Allen St intersection

October 2017

From **Monday 6 November 2017**, the Nudgee Road/Allen Street intersection will be temporarily closed on the eastern side of Nudgee Road to allow gas contractor APA to complete work on a new underground gas main.

The road closure will remain in place for **approximately four weeks**.

Detour signs will be in place to help motorists navigate through the area during the closure.

Work will involve the use of excavators, trucks and vacuum excavators to excavate a large section of Nudgee Road, commission a newly-installed gas pipe and remove the old pipe from beneath the Nudgee Road/Allen Street intersection.

Pedestrian and driveway access will be maintained at all times.

In the event of wet weather or unforeseen circumstances, this closure may be extended to allow the activity to be completed safely.

Thank you for your ongoing patience and support during this important work.
