

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

Temporary road closure – Crescent Road, Hamilton

November 2017

As part of the Kingsford Smith Drive upgrade, public utility services are being relocated and where required, replaced, to ensure these services continue to meet the needs of the local community.

From **7am to 7pm on Tuesday 5 December 2017**, Crescent Road will be closed to all traffic at the intersection of Kingsford Smith Drive for electrical works to be carried out, including replacement of power poles.

A detour route will be in place for all traffic movements during this closure period. Vehicle access between Kingsford Smith Drive and Crescent Road will be via Windermere Road and Riverview Terrace. See map overleaf for the work area and detour route.

Access to properties will be maintained at all times. Traffic controllers and signage will be in place to direct all motorists around the closure.

Localised power outages will be associated with these works. Further information regarding the outages will be provided to affected residents by the electricity distributor prior to the start of works.

In the event of wet weather or unforeseen circumstances, this activity may be extended.

Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.

Register for construction updates

The project team encourages nearby residents to register for updates at www.ksdupgrade.com.au

To register for SMS alerts prior to high impact work near your property, contact the team on 1800 084 383 or via email at info@ksdupgrade.com.au
