

# KINGSFORD SMITH DRIVE UPGRADE

## Community Notice

January 2018

### Extended lane closure – Cooksley Street, Albion

From **February 2018 for a period of up to two months**, Cooksley Street will be reduced to one lane and closed to northbound traffic between Yulestar Street and York Street to enable major stormwater installation works.

Southbound access will be maintained and motorists can continue to use Cooksley Street to access Kingsford Smith Drive during this time.

Access between Kingsford Smith Drive and Yulestar Street will also be maintained in both directions via Cooksley Street.

A detour will be in place via Toorak Road for motorists wishing to travel north on Cooksley Street. Traffic controllers and signage will be in place to direct all motorists.

See map overleaf for work area and detour route.

This closure will enable the majority of works to be undertaken during the day between 7am and 6pm Monday to Friday and 8am to 5pm on Saturdays, to minimise the impact and duration of night works on the local community.

In the event of wet weather or unforeseen circumstances, this activity may be extended.

#### Register for construction updates

Stay up-to-date with works in your area by registering for updates at [www.ksdupgrade.com.au](http://www.ksdupgrade.com.au)

You can also register to receive SMS alerts prior to high impact work near your property by contacting the team on 1800 084 383 or emailing us at [info@ksdupgrade.com.au](mailto:info@ksdupgrade.com.au)

#### Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.

#### More information

For more information regarding planned construction activities, please contact the team on 1800 084 383 or email [info@ksdupgrade.com.au](mailto:info@ksdupgrade.com.au)
