

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

January 2018

Temporary road closure

Yulestar Street and Agnes Street, Albion

As part of the Kingsford Smith Drive upgrade, improvement works are being completed between Cooksley Street and Breakfast Creek Road at Albion.

From **7am Monday 15 January to 5pm Tuesday 16 January 2018**, Agnes Street will be closed to traffic in both directions at the intersection with Yulestar Street to allow for asphalt to be laid.

A detour route will be in place during this closure period:

- Access to Agnes Street will be via Kingsford Smith Drive.
- Access to Yulestar Street from Agnes Street will be via Hunt Street.

Yulestar Street will also be reduced to one lane between Hunt Street and Amy Street, with access in both directions maintained under the direction of traffic control.

See map overleaf for the work area and detour route.

Access to properties and pedestrian access through the site will be maintained at all times. Traffic controllers and signage will be in place to direct all motorists through the closure.

In the event of wet weather or unforeseen circumstances, this activity may be extended.

Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.
