

# KINGSFORD SMITH DRIVE UPGRADE

## Project construction update

### Major construction activities will continue on the Kingsford Smith Drive upgrade during February 2018.

Land-based activities between Amy Street and Theodore Street will include:

- street light and traffic signal work
- investigation and installation of underground services
- major earthworks and drainage activities
- pavement construction, asphalt works and line marking
- footpath construction and landscaping
- relocation of concrete traffic barriers
- ground improvement works
- piling for new retaining wall and signage structures.

Marine-based construction activities will include:

- ground improvement works
- piling for the new river walk and drainage structures
- installation of precast concrete segments and concrete pours for the main river walk structure
- concrete truck deliveries.

Work will involve:

- use of construction equipment including excavators, trucks, jackhammers, compaction equipment, road saws, vacuum excavators, concrete trucks, cranes, barges, piling rigs and pumps
- noise and light associated with the use of construction equipment
- changed traffic conditions including lane, footpath and parking closures with traffic control and signage as required
- barge movements across the river
- night work and Sunday work as required.

### Why are these works happening?

The Kingsford Smith Drive upgrade will improve the road capacity to meet the future needs of the traffic network on one of Brisbane's busiest roads. The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton and improvement works between Cooksley Street and Breakfast Creek Road at Albion.

February 2018

### Weekend works – February to March 2018 – lane closures on Kingsford Smith Drive

There will be traffic changes on Kingsford Smith Drive between 7pm Fridays and 5am Mondays on consecutive weekends from early February to early March 2018.

Traffic may be reduced to one lane in each direction for short sections on Kingsford Smith Drive during this time. Traffic delays are expected and motorists are encouraged to seek alternative routes. Access to all properties, including all businesses in the area, will be maintained.

### More information

For more information about these works, please phone the team on 1800 084 383 (freecall 24/7) or email [info@ksdupgrade.com.au](mailto:info@ksdupgrade.com.au)
