

KINGSFORD SMITH DRIVE UPGRADE

Community notice

February 2018

New road opening – Hercules Street, Hamilton

In mid-February 2018, the new Hercules Street connection will open, connecting traffic from Hercules Street (adjacent to Portside Wharf) directly to Kingsford Smith Drive.

The road will initially open with left-in, left-out traffic movements to and from Kingsford Smith Drive.

Towards the end of the upgrade, the intersection will be reconfigured to allow full access in and out of Kingsford Smith Drive under traffic signals.

At all times, there will be no right turn from Hercules Street onto Harbour Road.

The new Hercules Street connection will provide additional capacity for motorists travelling to and from the Portside and Northshore precincts, and will help alleviate congestion through the Harbour Road and Remora Road intersections.

In the event of wet weather or unforeseen circumstances, this road opening may be delayed to the next available day.
