March 2018

Temporary road closures – Oxford Street and College Street, Hamilton

In **late March 2018**, changed traffic conditions will be in place on Oxford and College Streets in Hamilton.

From **Monday 19 March 2018**, Oxford Street will be closed at Kingsford Smith Drive to traffic in both directions. All traffic will be detoured via College Street. This work is expected to take between three and seven days.

Immediately following the completion of Oxford Street works, access to Kingsford Smith Drive from College Street will be closed. Traffic will be detoured via Oxford Street. This work is expected to take between three and seven days. Access to College Street from Kingsford Smith Drive will remain open during this time.

These closures are required to allow for the installation of a new watermain. The closures have been scheduled consecutively to minimise the impact of works on local residents and businesses.

See maps overleaf detailing these closures and associated detours.

Additional signage will be installed to help motorists navigate around the work area.

Pedestrian and driveway access will be maintained at all times, under the direction of traffic control where required.

In the event of wet weather or unforeseen circumstances, this closure may be extended to allow the work activity to be completed safely.
