

# KINGSFORD SMITH DRIVE UPGRADE

## Community Notice

May 2018

### Partial road closure – Oxford Street, Hamilton

From Monday 28 May 2018 for up to four weeks, access to Kingsford Smith Drive from Oxford Street will be temporarily closed. There will be no left turn access out of Oxford Street to Kingsford Smith Drive during this time. Throughout this closure, access into Oxford Street will be maintained via left turn from Kingsford Smith Drive.

This closure is required to allow for the installation of stormwater infrastructure and new underground services and construction of the new road pavement.

Access to Kingsford Smith Drive will be via College Street, with additional signage installed to help motorists and pedestrians navigate around the work area. See map below for details.

Delineated pedestrian access will be maintained through the work site. Driveway access will be maintained at all times, under the direction of traffic control if required.

In the event of wet weather or unforeseen circumstances, this closure may be extended to allow the work activity to be completed safely.
