

# KINGSFORD SMITH DRIVE UPGRADE

## Community Notice

July 2018

### Temporary road closure – Riverview Terrace, Hamilton

**From Monday 23 July 2018 for up to eight months**, Riverview Terrace access to and from Kingsford Smith Drive will be closed to all traffic.

These changes are required to provide the necessary space to safely relocate public utility services and install major stormwater drainage improvements.

These works require major excavations and significant work underneath the road surface of Kingsford Smith Drive. Keeping Riverview Terrace open would require these works to be completed on night shift over 10 months using high impact equipment such as road saws, jackhammers and excavators.

Closing Riverview Terrace allows the project team to achieve greater productivity and carry out the majority of these works during the day, minimising the impact of consecutive night shifts on local residents.

Detours will be in place for all traffic movements with additional signage installed to help motorists and pedestrians navigate around the work area.

During this period, right turn access to Riverview Terrace from Kingsford Smith Drive will be provided via Seymour Road.

See map overleaf outlining closure and detour details. For more detailed information about detour routes, please visit [www.ksdupgrade.com.au](http://www.ksdupgrade.com.au)

Pedestrian access will be maintained through the work site. Driveway access will be maintained at all times, under the direction of traffic control if required.

In the event of wet weather or unforeseen circumstances, this closure may be extended to allow the work activity to be completed safely.

**For more information** regarding planned construction activities, please contact the project team on 1800 084 383 or email [info@ksdupgrade.com.au](mailto:info@ksdupgrade.com.au)

#### Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.
