

KINGSFORD SMITH DRIVE UPGRADE

Project construction update

August 2020

Major construction activities will continue on the Kingsford Smith Drive upgrade during August 2020.

Construction activities between Day Street and Racecourse Road will include:

- installation of new, and upgrade of existing, underground services
- installation of new stormwater infrastructure
- construction of new road pavements and asphalt
- construction of new kerb, footpaths and driveways
- installation of new street lights
- landscaping.

Work will involve:

- use of construction equipment including excavators, trucks, jackhammers, road saws, vacuum excavators, concrete trucks, cranes, pumps, asphalt and compaction equipment
- noise and light associated with the use of construction equipment
- changed traffic conditions including lane, footpath and parking closures with traffic control and signage to direct pedestrians, cyclists and motorists, as required
- night work and Sunday work as required.

Update on current temporary road closures and traffic changes

Grays Road

Grays Road will re-open to traffic in both directions in **mid-August 2020**.

Toorak Road

Toorak Road will re-open to traffic from Kingsford Smith Drive in **mid-August 2020**.

Crescent Road

Crescent Road will re-open to traffic in both directions in **mid-August 2020**.

Quarry Street

Quarry Street will re-open to full width in **late August 2020**.

In the event of wet weather, unforeseen circumstances or government requirements (COVID-19) these closures may be extended to allow the works to be completed safely.

Temporary closure of Day Street

Day Street will close to traffic in both directions at Kingsford Smith Drive from **Monday 17 August 2020** for **up to two weeks** to enable final construction activities.

Traffic will be detoured around the closure via Cooksley Street and Queens Road, with additional signage installed to help motorists and pedestrians navigate around the work area.

Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.

The project also delivers upgraded public transport facilities with indented bus stops that cater for future increases in bus services along the corridor and reduce delays.
