

# KINGSFORD SMITH DRIVE UPGRADE

## Community Notice

### Temporary road closure – Cooksley Street, Albion

August 2018

As part of the Kingsford Smith Drive upgrade, public utility services are being relocated and where required, replaced, to ensure these services continue to meet the needs of the local community.

**Due to unforeseen circumstances, the closure of Cooksley Street between Yulestar Street and Kingsford Smith Drive has been rescheduled.** Cooksley Street will now be closed between Yulestar Street and Kingsford Smith Drive from **9am Friday 17 August to 5am Monday 20 August 2018.**

During this period, the following traffic changes will be in place:

- **Access to Kingsford Smith Drive and the Inner City Bypass (ICB) from Cooksley Street will be closed.**
- Cooksley Street will be closed to northbound traffic between Kingsford Smith Drive and York Street.

The Cooksley Street entrance to the Hamilton BP Service Station will be closed over this weekend. Motorists wishing to access the Hamilton BP can continue to do so from Kingsford Smith Drive. Access to the Cooksley Street entrance of the Kingsford Riverside Inn will be maintained under traffic control.

Traffic controllers and signage will be in place to direct all motorists.

A detour route will be in place for all traffic movements during these closures:

- Access to the ICB and Breakfast Creek Road will be via Crosby Road
- Access to Kingsford Smith Drive heading east will be via Toorak Road
- Access to the northern end of Cooksley Street will be via Toorak Road

See map overleaf for work area and detour route.

These activities have been scheduled to take place continuously over a weekend to minimise the impact and duration of ongoing night works on the local community. In the event of wet weather or unforeseen circumstances, this activity will occur on the next available weekend.

### Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.
