

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

Major weekend traffic changes – November 2019

November 2019

To enable pavement construction on Racecourse Road at Kingsford Smith Drive, major construction activities are required.

To reduce the impact and duration of ongoing construction activities on local businesses and residents, these major construction activities will require a **full closure of Racecourse Road at the Kingsford Smith Drive intersection from 7pm Friday 22 November to 5am Monday 25 November 2019.**

Significant delays are expected and motorists are encouraged to allow additional travel time or seek alternate routes, where possible.

Detours will be in place on Racecourse Road and Kingsford Smith Drive for motorists and pedestrians during the weekend works. See map overleaf for details.

Access out of the Hamilton Hotel, Australia Post and the 7-Eleven onto Racecourse Road will be maintained throughout construction.

Following these weekend works, the left turn into Racecourse Road from Kingsford Smith Drive will re-open. Also, the left turn out of Racecourse Road onto Kingsford Smith Drive will reopen.

In addition, the Riverview Terrace and Rossiter Parade intersection will be reinstated to its previous traffic arrangement following these works.

The right turn into Riverview Terrace from Kingsford Smith Drive will remain closed temporarily to facilitate works at the intersection.

Lendlease would like to thank the local businesses and residents for their patience and understanding during these important works.

Racecourse Road precinct guide

Keep an eye out for the upcoming Racecourse Road precinct guide which will be launched at the Bretts Wharf plaza opening event on Saturday 30 November 2019. The precinct guide will feature the great businesses on Racecourse Road.

Temporary bus stop and route changes during the weekend works:

- Bus routes 300 and 305 will be detoured via Nudgee Road and Stevenson Street (outbound), and via Lancaster Road and Nudgee Road (inbound)
- See map overleaf for temporary bus stop closures and alternative bus stops where regular services can be accessed from.

Following these weekend works:

- The 'Hamilton Central – 20' outbound bus stop on Racecourse Road will re-open and the temporary bus stop on Kingsford Smith Drive approaching Seymour Road will close permanently.
- The 'Racecourse Road at Kent Street – 21' bus stop on Racecourse Road will re-open and the temporary bus stop on Stevenson Street will close permanently.

What can I expect?

- Works will be completed 24 hours a day, from 7pm Friday to 5am Monday, when traffic volumes on Kingsford Smith Drive and Racecourse Road are lower.
- Construction equipment including excavators, trucks, jackhammers, compaction equipment, road saws, vacuum excavators, small cranes and asphalt equipment.
- Noise and lights associated with the use of construction equipment, including vehicles and equipment with flashing lights and white noise (non-tonal) reversing beepers for the safety of onsite workers.
- Changed traffic conditions, including traffic lane and footpath closures with traffic control and signage to direct pedestrians, cyclists and motorists, as required.

In the event of wet weather or unforeseen circumstances, these works will be carried out on the next available weekend.
