

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

January 2018

Changed traffic conditions and shared path closure – Kingsford Smith Drive, Day Street to Hunt Street

From **February 2018 for a period of up to 13 months**, inbound traffic on Kingsford Smith Drive between Day Street and Hunt Street will be reduced from three to two lanes and will be moved towards the northern side of Kingsford Smith Drive.

Some additional lane closures will be required at night and nearby residents will be notified in advance of planned out-of-hours work.

During this period, the shared user path on the southern side of Kingsford Smith Drive between Cooksley Street and Agnes Street will also temporarily close to pedestrians and cyclists.

The footpath on the northern side of Kingsford Smith Drive will remain with signage in place to direct footpath users, and pedestrian access to the inbound bus stop (Kingsford Smith Drive at Cooksley Street, stop 14) will be maintained.

These traffic changes are required to provide space to safely relocate public utility services and complete works to upgrade the road.

Please see map overleaf for more information about these changes.

More information

For more information regarding planned construction activities, please contact the team on 1800 084 383 or email info@ksdupgrade.com.au

Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.
