

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

March 2019

Major weekend traffic changes – March and April 2019

As part of the Kingsford Smith Drive upgrade, public utility services are being relocated and where required, replaced, to ensure these services continue to meet the needs of the local community.

Installing these underground services requires major construction activity across Kingsford Smith Drive. To reduce the impact and duration of ongoing night work on local residents, the project team will complete a number of these underground crossings over weekends in March and April 2019.

In addition to the above, traffic changes on Kingsford Smith Drive and lane closures at the Cooksley Street intersection will be required on the weekends listed below.

- 7pm Friday 22 March to 5am Monday 25 March
- 7pm Friday 29 March to 5am Monday 1 April
- 7pm Friday 5 April to 5am Monday 8 April

Please note, the planned traffic detour for the works scheduled between 7pm Friday 22 March and 5am Monday 25 March has changed. See detour map overleaf for more information.

Significant delays are expected and motorists are encouraged to allow additional travel time or seek alternate routes, where possible. See map overleaf for closures and detour routes.

What can I expect?

- Works will be completed 24 hours a day, from 7pm Friday to 5am Monday, when traffic volumes on Kingsford Smith Drive are lower.
- Construction equipment including excavators, trucks, jackhammers, compaction equipment, road saws, vacuum excavators, small cranes and asphalt equipment.
- Noise and lights associated with the use of construction equipment, including vehicles and equipment with flashing lights and white noise (non-tonal) reversing beepers for the safety of onsite workers.
- Changed traffic conditions, including traffic lane and footpath closures with traffic control and signage to direct pedestrians, cyclists and motorists, as required.

In the event of wet weather or unforeseen circumstances, these works will be carried out on the next available weekend.

Register for construction updates

Lendlease offer SMS and email updates to keep residents up-to-date on construction activities.
