

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

Closure of right turn into College Street

September 2016

As part of major construction activities starting on the Kingsford Smith Drive upgrade, the right turn into College Street will permanently close from **Tuesday 4 October**.

The closure is required to create space for road widening activities and assist with safe and efficient traffic flow through the area. There will be no change to the left turn in or out of College Street onto Kingsford Smith Drive.

Alternate access to the area for westbound motorists is via Alison Street, approximately 200 metres east of College Street. Additional signs will be installed to assist motorists accessing the area.

At the completion of the Kingsford Smith Drive upgrade, the intersection of Kingsford Smith Drive and Alison Street will be signalised to improve safety for vehicles turning right across three eastbound lanes of traffic.

Construction hours

The majority of work will take place from 7am-6pm, Monday to Friday and from 8am-1pm on Saturday.

If any out-of-hours work is required, Lendlease will directly notify residents in the vicinity of the works.

Working with the community

Lendlease is committed to minimising impacts on local residents during construction of the Kingsford Smith Drive upgrade and we look forward to working with you throughout construction.

For more information about the change please contact the team on 1800 084 383.
