

# KINGSFORD SMITH DRIVE UPGRADE

## Project construction update

June 2019

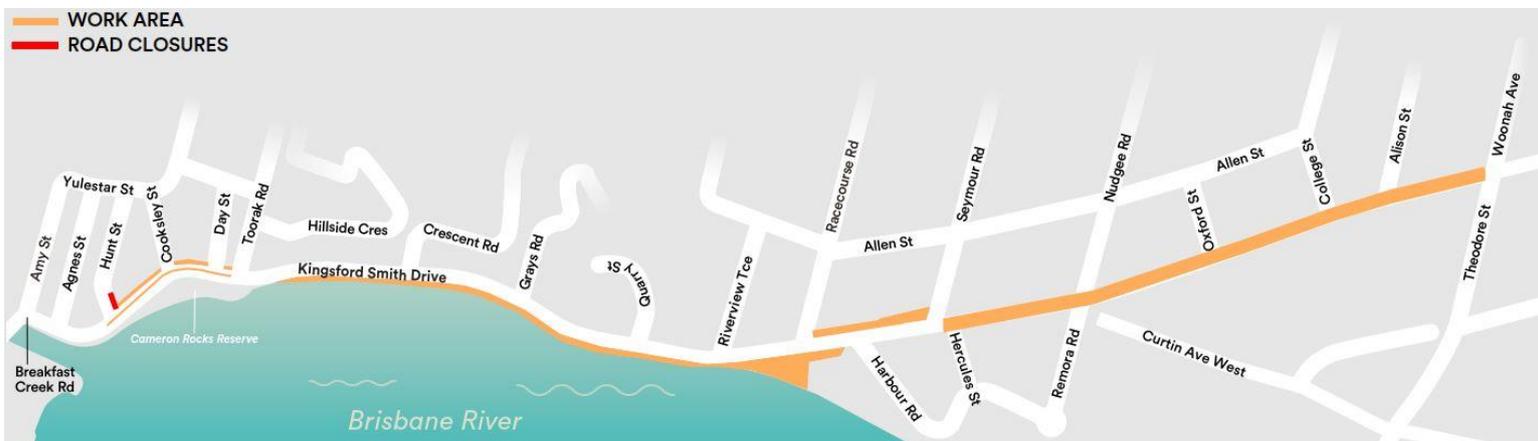

### Major construction activities will continue on the Kingsford Smith Drive upgrade during June 2019.

Construction activities between Amy Street and Theodore Street will include:

- street light work and traffic signal changes
- investigation and installation of utility services
- major earthworks
- drainage activities
- pavement construction, asphalt works and line marking
- footpath, kerb and driveway construction
- ground improvement works
- concrete truck deliveries
- landscaping activities.

Work will involve:

- use of construction equipment including excavators, trucks, jackhammers, road saws, vacuum excavators, concrete trucks, cranes, pumps, asphalt and compaction equipment
- noise and light associated with the use of construction equipment
- changed traffic conditions including lane, footpath and parking closures with traffic control and signage to direct pedestrians, cyclists and motorists, as required
- night work and Sunday work as required.

### Major weekend works

**From 12pm Sunday 9 June to 5am Monday 10 June**, there will be lane closures on Kingsford Smith Drive between Hunt Street and Toorak Road to complete installation of new services at the Kingsford Smith Drive and Cocksley Street intersection.

This work will involve the use of cranes, vacuum excavators and small tools. In the event of wet weather or unforeseen circumstances, this timeframe may be extended to allow the work activities to be completed safely.

Further information regarding this work will be distributed prior to the work period. Motorists are encouraged to allow additional travel time or seek alternate routes.

In the event of weather or other unforeseen circumstances this work will be postponed to the next available weekend.

## Night works

### Harbour Road to Theodore Street, Hamilton

Night work will continue in **June 2019** on Kingsford Smith Drive between Harbour Road and Theodore Street, Hamilton. These works will include:

- lane closures on Kingsford Smith Drive and temporary closures of some side roads and driveways - impacted residents will be notified ahead of any changes to their property and/or residential street access
- installing vehicle detector loops, into the asphalt using road saws, for signalised intersections
- completing the top layer of asphalt with asphalt paving machines, trucks and rollers
- completing permanent line marking of the new road alignment with a line marking vehicle.

Local residents may be able to see and hear this work from their property. In addition, asphaltting works can produce a minor chemical odour. Please note, the project team will undertake the noisiest work early in the shift, where possible.

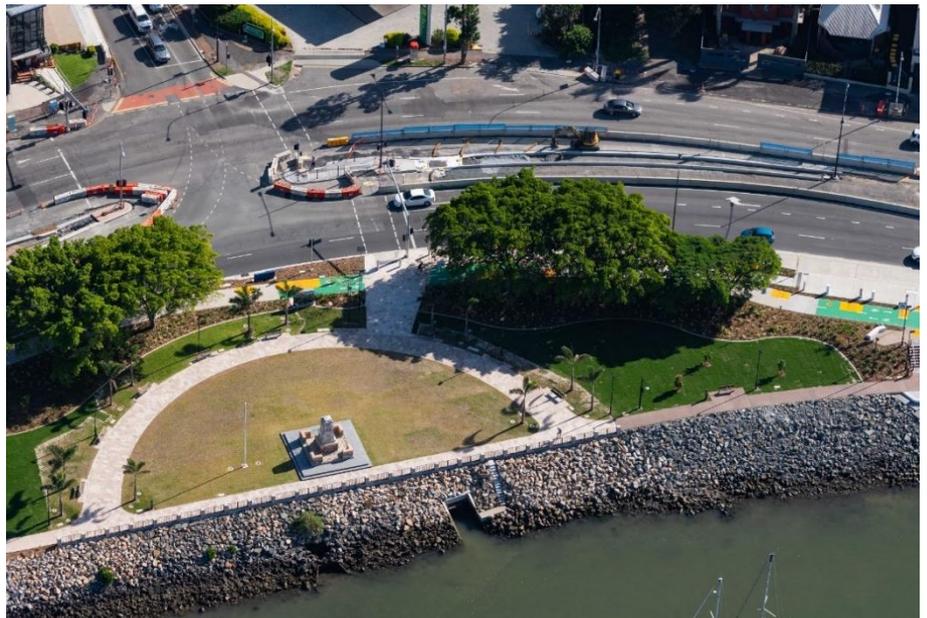

## Community Open Day

To celebrate the completion of the rejuvenated Cameron Rocks Reserve and the opening of the new Riverwalk, the project will be hosting a Community Open Day on Saturday 22 June 2019.

The day will showcase Brisbane's latest riverside destination, allowing local residents and their families to enjoy the new park and riverside promenade. Food, drinks, activities and entertainment will be available on the day.

Keep an eye out for further information in your letterbox or on the project website in the coming weeks:

## Register for construction updates

Lendlease offer SMS and email updates to keep residents up-to-date on construction activities.

To subscribe, contact the team on 1800 084 383 or email your name, address and phone number to [info@ksdupgrade.com.au](mailto:info@ksdupgrade.com.au)

## More information

For more information about these works, please phone the team on 1800 084 383 (freecall 24/7) or email [info@ksdupgrade.com.au](mailto:info@ksdupgrade.com.au)

## Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.
