

# KINGSFORD SMITH DRIVE UPGRADE

## Community Notice

May 2019

### Changed traffic conditions – Agnes Street to Toorak Road

From **mid-May 2019** for **approximately four months**, works will be carried out to upgrade the northern verge of Kingsford Smith Drive between Agnes Street and Toorak Road.

Activities to be completed on the northern verge will include drainage works, installation of new pavement, kerb, and underground services, works on private properties, reconstruction of driveways and landscaping.

#### Traffic changes

To accommodate these works, from **5pm Sunday 12 May to 5am Monday 13 May 2019**, temporary traffic barriers in the centre median will be removed and relocated to the northern side of Kingsford Smith Drive, between Agnes Street and Toorak Road.

The implementation of this traffic arrangement will enable the majority of the works to be undertaken during standard construction hours. Due to traffic permit requirements, some of the works must be completed during night shift between 7pm and 5am from Sunday to Thursday.

As part of this traffic arrangement, two outbound lanes will remain on Kingsford Smith Drive between Agnes Street and Cooksley Street, with three outbound lanes maintained at the Cooksley Street intersection.

Access to Kingsford Smith Drive from both the Inner City Bypass (ICB) and Breakfast Creek Road will remain open, with one lane entering onto Kingsford Smith Drive from Breakfast Creek Road and one lane from the ICB.

**From Sunday 26 May 2019**, the inbound lanes on Kingsford Smith Drive will be increased to three lanes between Cooksley Street and Agnes Street, with one lane exiting to Breakfast Creek Road and two lanes exiting to the ICB.

#### Temporary bus stop closure

As part of this traffic change, the existing outbound bus stop (Kingsford Smith Drive at Cooksley Street, stop 13/14) will be closed. Regular services can be accessed from stop 15, Kingsford Smith Drive at Toorak Road for the duration of these works.

#### Temporary footpath closure

From **Sunday 12 May 2019**, a section of the northern footpath between Hunt Street and Cooksley Street will be closed for up to four weeks to allow footpath, verge and landscaping works to be undertaken.

Access for pedestrians will be maintained via Yulestar Street. Additional signage will be in place to direct pedestrians.

#### Access to Kingsford Smith Drive from local roads

The following local access changes will be required to enable these works:

- The left turn onto Kingsford Smith Drive from Hunt Street will **permanently** close.
- The left turn onto Kingsford Smith Drive from Agnes Street will **temporarily** close.

The left turn into both Agnes Street and Hunt Street from Kingsford Smith Drive will be maintained.

Additional signage will be installed to help motorists and pedestrians navigate around the work area.

In the event of wet weather or unforeseen circumstances, these works may be extended or rescheduled to allow the activities to be completed safely.

*Please see map overleaf for details of traffic changes.*
