

KINGSFORD SMITH DRIVE UPGRADE

Community Reference Group

Lendlease, appointed by Brisbane City Council to design and construct the Kingsford Smith Drive upgrade, is calling for nominations to join a community reference group (CRG).

The CRG will represent a range of viewpoints and community considerations about local issues, construction impacts and community engagement activities in relation to the construction of the Kingsford Smith Drive upgrade.

The upgrade will see Kingsford Smith Drive widened from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.

Interested persons who live in, work in or represent a community group from any area potentially affected by the upgrade, are encouraged to contact Lendlease for a CRG application form.

CRG members will receive and discuss project information and provide feedback.

Applications close Friday 12 February 2016.
