## Community Notice

October 2017

### Partial road closure – Nudgee Road, Hamilton

On **Monday 6 November 2017 between 7pm and 5am**, Nudgee Road will be closed to northbound traffic between Kingsford Smith Drive and Allen Street.

One lane will remain open for southbound traffic during this closure.

All northbound heavy vehicle traffic will be detoured east down Kingsford Smith Drive and up Southern Cross Way.

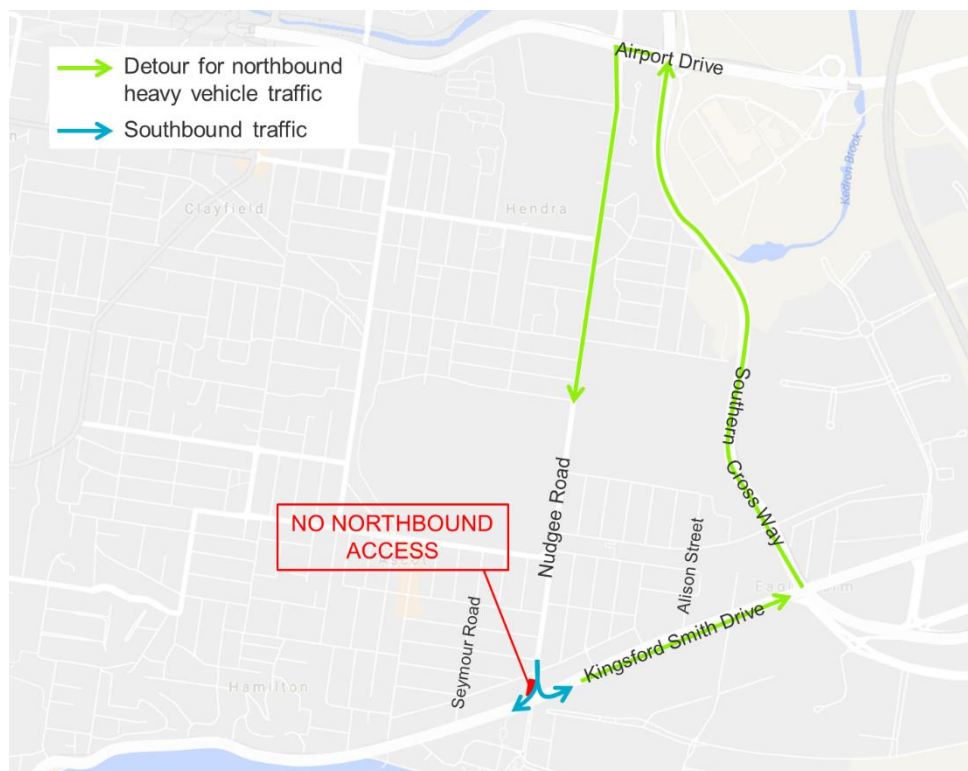

Local access for northbound traffic will be maintained via Seymour Road and Alison Street.

Traffic controllers and additional signage will be in place around the closure and detour route to direct motorists.

This partial closure is required to allow for a large section of the road to be excavated to install a new section of stormwater pipe.

Pedestrian access will be maintained around the worksite under the direction of traffic control, and driveway access will be maintained at all times.

In the event of wet weather or unforeseen circumstances, this closure may be extended to allow the activity to be completed safely.
