

# KINGSFORD SMITH DRIVE UPGRADE

## Community Notice

December 2017

### Temporary road closure – Seymour Road, Hamilton

From Monday 29 January 2018 for up to three months, Seymour Road will be closed at Kingsford Smith Drive to traffic in both directions.

This closure is required to allow for the installation of major stormwater infrastructure and construction of the new road.

Traffic will be detoured around the closure with additional signage installed to help motorists and pedestrians navigate around the work area. Pedestrian access will be maintained through the work site. Driveway access will be maintained at all times under the direction of traffic control.

In the event of wet weather or unforeseen circumstances, this closure may be extended to allow the work activity to be completed safely.

#### Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.
