Community Notice

July 2018

Temporary road closure – Oxford Street, Hamilton

From Wednesday 18 July 2018 for up to two months, Oxford Street will be closed at Kingsford Smith Drive to traffic in both directions.

This closure is required to allow for the installation of stormwater infrastructure and new underground services, and construction of the new road pavement.

Traffic will be detoured via College Street with additional signage installed to help motorists and pedestrians navigate around the work area. See map below for details.

Pedestrian access will be maintained through the work site. Driveway access will be maintained at all times, under the direction of traffic control if required.

In the event of wet weather or unforeseen circumstances, this closure may be extended to allow the work activity to be completed safely.
