

# KINGSFORD SMITH DRIVE UPGRADE

## Community Notice

September 2018

### Temporary road closure – College Street, Hamilton

From **Wednesday 3 October 2018 for up to three months**, College Street will be closed at Kingsford Smith Drive to traffic in both directions. At this time, Alison Street will be reopened to traffic in both directions, with the right turn from Kingsford Smith Drive into Alison Street permanently reinstated.

The closure of College Street is required to allow for the installation of stormwater infrastructure and new underground services, and construction of the new road pavement.

Traffic will be detoured around the closure via Alison Street with additional signage installed to help motorists and pedestrians navigate around the work area. See map below for details.

Pedestrian access will be maintained through the work site. Driveway access will be maintained at all times, under the direction of traffic control if required.

In the event of wet weather or unforeseen circumstances, this closure may be extended to allow the work activity to be completed safely.
