

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

Temporary road closure - Toorak Road, Hamilton

January 2019

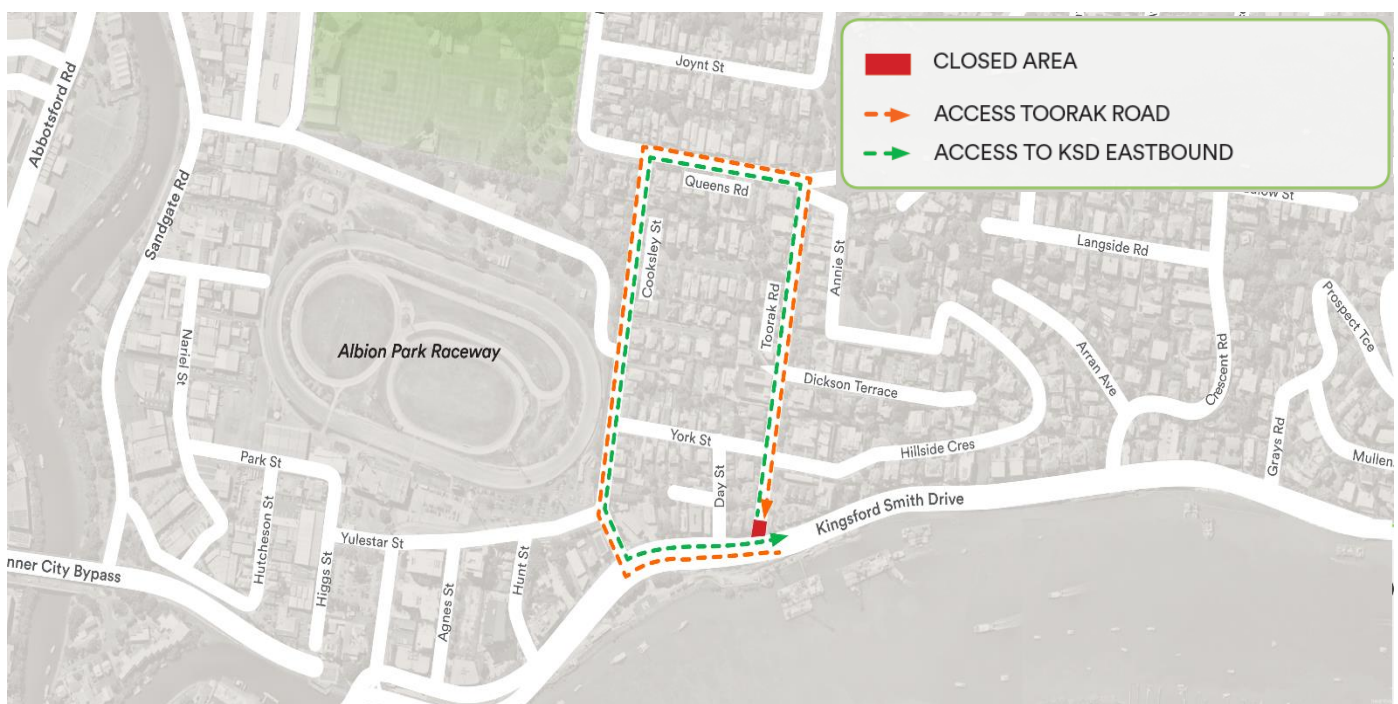

As part of the Kingsford Smith Drive upgrade, public utility services are being relocated and where required, replaced, to ensure these services continue to meet the needs of the local community.

To enable major stormwater, water main and electrical installation works to be undertaken, **Toorak Road will be closed to all traffic at the intersection of Kingsford Smith Drive from mid-January 2019 for approximately three months.**

A detour route will be in place via Cooksley Street during this closure and pedestrian access will be maintained. See map below for work area and detour route.

Works will be carried out within the construction area from Monday to Friday, 7am to 6pm. Some works such as the connection of the new services may be carried out at night from Sunday to Thursday, 7pm to 5am. The surrounding community will be notified ahead of any scheduled night works.

This closure has been scheduled to minimise the impact and duration of ongoing night works on the local community. In the event of wet weather or unforeseen circumstances, this closure may be extended.
