Community Notice

March 2019

Temporary parking lane closures – Crescent Road, Hamilton

From Monday 18 March 2019 for up to two weeks, the parking lanes on both sides of Crescent Road between Kingsford Smith Drive and Arran Avenue will be closed.

These closures are required to enable works to upgrade the existing underground sewer infrastructure.

This work will involve the use of road saws, jackhammers, vacuum excavators, excavators, trucks, hand tools and compaction equipment, and will be carried out during standard work hours (7am to 6pm Monday to Friday and 8am to 5pm Saturday).

Access in and out of Crescent Road at Kingsford Smith Drive will be maintained. Additional traffic control and signage will be implemented where required. See map below for details.

Pedestrian access will be maintained through the work site. Access to properties will be maintained at all times, under the direction of traffic control if required.

In the event of wet weather or unforeseen circumstances, these closures may be extended to allow the work activity to be completed safely.

For more information regarding planned construction activities, please contact the team on 1800 084 383 or email info@ksdupgrade.com.au
