

KINGSFORD SMITH DRIVE UPGRADE

Project construction update

March 2020

Major construction activities will continue on the Kingsford Smith Drive upgrade during March 2020.

Construction activities between Day Street and Racecourse Road will include:

- installation of new, and upgrade of existing, underground services
- installation of new stormwater infrastructure
- construction of new road foundations
- construction of new asphalt
- construction of new kerb and footpaths
- demolition of old and construction of new driveways
- installation of new street lights
- landscaping
- slope stabilisation works (between Toorak Road and Crescent Road and Grays Road and Quarry Street).

Work will involve:

- use of construction equipment including excavators, trucks, jackhammers, road saws, vacuum excavators, concrete trucks, cranes, pumps, barges, asphalt and compaction equipment
- noise and light associated with the use of construction equipment
- changed traffic conditions including lane, footpath and parking closures with traffic control and signage to direct pedestrians, cyclists and motorists, as required
- night work and Sunday work as required.

Changed traffic and pedestrian conditions – Toorak Road to Racecourse Road

In mid-February 2020, major traffic and pedestrian changes were implemented on Kingsford Smith Drive between Toorak Road and Racecourse Road to allow the next stage of construction to commence on the northern verge of Kingsford Smith Drive. See www.ksdupgrade.com.au for more information.

Temporary road closures

Riverview Terrace and Grays Road

Both Riverview Terrace and Grays Road have been closed to traffic in both directions at Kingsford Smith Drive to allow for:

- the installation of new underground services
- pavement works
- construction of the new kerb, footpath and road surface
- landscaping and finishing works.

Riverview Terrace will be closed at Kingsford Smith Drive for up to four months, and Grays Road will be closed at Kingsford Smith Drive for up to three months from mid-February 2020.

Traffic will be detoured around the closures, with additional signage installed to help motorists and pedestrians navigate around the work area.

In the event of wet weather or unforeseen circumstances, these closures may be extended to allow the work activities to be completed safely.

For further information about these changes and detour routes, please contact the project team or visit the project website www.ksdupgrade.com.au

Day Street

Due to weather and site conditions, the temporary closure of Day Street has been extended.

Day Street will remain closed to traffic in both directions until late March 2020.

Traffic will continue to be detoured around the closure with additional signage installed to help motorists and pedestrians navigate around the work area.

Racecourse Road open for business

Racecourse Road is home to more than 100 businesses, including vibrant cafes and bars, unique fashion and homewares, health and beauty services, real estate and professional services.

Customers can still access and enjoy the ongoing service and hospitality of these businesses during construction.

Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.

The project also delivers upgraded public transport facilities with indented bus stops that cater for future increases in bus services along the corridor and reduce delays.

Register for important construction updates

Lendlease offer SMS and email updates to keep residents up-to-date on construction activities and changed traffic conditions.

To subscribe, contact the team on 1800 084 383 or email your name, address and phone number to info@ksdupgrade.com.au

You can also find information about current and upcoming traffic changes and closures, including detours, on the project website <http://www.ksdupgrade.com.au/construction-update/latest-construction-news/>

More information

For more information regarding planned construction activities and traffic changes, please phone the team on 1800 084 383 (freecall 24/7) or email info@ksdupgrade.com.au
