Changed traffic and pedestrian conditions – Quarry Street to Racecourse Road, Hamilton

The Kingsford Smith Drive upgrade is entering its final stage of construction, with works to upgrade the centre median of Kingsford Smith Drive between Quarry Street and Racecourse Road starting in late July 2020.

Changed traffic conditions

To accommodate these works, outbound traffic will be moved onto the newly constructed road pavement on the northern verge of Kingsford Smith Drive, between Quarry Street and Racecourse Road. Further traffic changes will occur in late August 2020, to facilitate centre median works on Kingsford Smith Drive between Day Street and Quarry Street. More information about these works will be provided closer to the time.

Changed pedestrian conditions

The new northern footpath will open between Quarry Street and Racecourse Road in late July 2020. Additional signage will be installed to help motorists and pedestrians navigate through the work area.

Outbound bus stop 19 opening

From **late July 2020**, the new outbound bus stop 19 (Kingsford Smith Drive at Riverview Terrace) will open.

See map overleaf for information about the upcoming changed traffic and pedestrian conditions, as well as bus stop changes.

In the event of wet weather, unforeseen site conditions or government requirements (COVID-19), this timeframe may be extended to allow the works activities to be completed safely.

Major Sunday works

From **6.30am Sunday 26 July to 5am Monday 27 July 2020**, temporary traffic barriers will be installed in the centre of Kingsford Smith Drive between Quarry Street and Racecourse Road to complete the new traffic arrangement.

During these works lane closures will be in place on Kingsford Smith Drive between Quarry Street and Racecourse Road. Delays are expected, and motorists are encouraged to allow additional travel time or seek alternate routes, where possible.

In the event of wet weather, unforeseen site conditions or government requirements (COVID-19), these activities may be rescheduled to **6.30am Sunday 2 August to 5am Monday 3 August 2020**.
