

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

Pedestrian and public transport changes

September 2017

From **Tuesday 3 October 2017 for a period of up to three weeks**, works to safely relocate public utility services will take place on the corner of Kingsford Smith Drive and Cooksley Street from Monday to Friday between 7am and 6pm.

Works will involve the use of excavators, trucks and vacuum excavators to excavate a section of the footpath and install new electricity services.

Pedestrian access will be maintained, with pedestrians diverted around the work site. **Access to the outbound bus stop (Kingsford Smith Drive at Cooksley Street, stop 13/14) will be closed** during this time (see map overleaf).

Regular bus services will be accessed from stop 15, Kingsford Smith Drive at Toorak Road (approximately 150 metres east). Signage will be in place to direct passengers.

Driveway access for residents and businesses will be maintained at all times, under the direction of traffic control, where required.

These changes will enable the project team to carry out the majority of work during the day to minimise the impact of consecutive night works on local residents.

In the event of wet weather or unforeseen circumstances, this closure may extend to allow the work activity to be completed safely.

Register for construction updates

Stay up-to-date with works in your area by registering for updates at www.ksdupgrade.com.au

You can also register to receive SMS alerts prior to high impact work near your property by contacting the team on 1800 084 383 or emailing us at info@ksdupgrade.com.au

More information

For more information regarding planned construction activities, please contact the team on 1800 084 383 or email info@ksdupgrade.com.au

Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.
