

# KINGSFORD SMITH DRIVE UPGRADE

## Community Notice

### Temporary closure of Allen Street, Hamilton

December 2019

On **Sunday 15 December 2019 between 8am and 5pm**, Allen Street will be closed at Seymour Road to traffic in both directions, and there will be a localised lane closure on Seymour Road to enable asphaltting activities.

These works have been scheduled when traffic volumes are lowest to ensure the safety of road users and our workers, and to minimise the impact of traffic disruptions and night works on local residents.

Signage will be in place to help motorists and pedestrians navigate around the works area. Pedestrian access will be maintained around the work site, and driveway access will be maintained at all times, under the direction of traffic control if required.

See map below for detour route.

In the event of wet weather or unforeseen circumstances, this closure may be extended or rescheduled to allow the work activities to be completed safely.

For more information regarding these works and traffic changes, please contact the team on **1800 084 383** or email [info@ksdupgrade.com.au](mailto:info@ksdupgrade.com.au).
