

KINGSFORD SMITH DRIVE UPGRADE

Community Notice

October 2019

Major weekend traffic changes – October and November 2019

To enable pavement construction on Kingsford Smith Drive between Breakfast Creek Road and Toorak Road, major construction activities are required.

To reduce the impact and duration of ongoing night work on local residents, the project team will undertake construction of new pavement over weekends in October and November 2019.

Traffic changes on Kingsford Smith Drive and lane closures at the Cooksley Street intersection will be required on the following weekends:

- **7pm Friday 18 October to 5am Monday 21 October 2019**
- **7pm Friday 8 November to 5am Monday 11 November 2019**

During these periods, Kingsford Smith Drive will be reduced to one lane next to the work areas between Breakfast Creek Road and Toorak Road, with two lanes maintained in each direction during peak times on Saturday (10am to 3pm).

Significant delays are expected and motorists are encouraged to allow additional travel time or seek alternate routes, where possible.

Cooksley Street access

To enable pavement construction, access to Cooksley Street at the Kingsford Smith Drive intersection will be closed in both directions from **7pm Friday 18 October to 5am Monday 21 October 2019**.

Access to Kingsford Smith Drive from Cooksley Street will be closed from **7pm Friday 8 November to 5am Monday 11 November 2019**. Access to Cooksley Street from Kingsford Smith Drive will be maintained for outbound motorists.

Please see maps overleaf for more information.

What can I expect?

- Works will be completed 24 hours a day, from 7pm Friday to 5am Monday.
- Construction equipment including excavators, trucks, compaction equipment, vacuum excavators and asphalt equipment.
- Noise and lights associated with the use of construction equipment, including vehicles and equipment with flashing lights and white noise (non-tonal) reversing beepers for the safety of onsite workers.
- Changed traffic conditions, including traffic lane and footpath closures with traffic control and signage to direct pedestrians, cyclists and motorists, as required.

In the event of wet weather or unforeseen circumstances, these works will be carried out on the next available weekend.

More information

For more information about these works, please phone the team on 1800 084 383 (freecall 24/7) or email info@ksdupgrade.com.au

Why are these works happening?

The Kingsford Smith Drive upgrade will improve the capacity of the road to meet the future needs of the traffic network on one of Brisbane's busiest roads.

The upgrade involves widening the road from four to six lanes between Theodore Street at Eagle Farm and Cooksley Street at Hamilton. It also includes improvement works between Cooksley Street and Breakfast Creek Road at Albion.
